

**WARTBURG THEOLOGICAL SEMINARY
PRE-REGISTRATION – Returning Students – SPRING SEMESTER 2024
2nd Year MDiv and MADM Students and 3rd-Year CL MDiv Students**

DUE DATE: Beginning November 27. Preferably by December 8 if possible, and IDEALLY BY NO LATER THAN DECEMBER 15.

You will take care of this registration using the MyWTS Web Portal. A separate set of instructions will illustrate how you use the MyWTS add/drop course process to accomplish this. **Be sure to select the correct academic term, which is “2023-2024 Academic Year – Spring Semester”.**

This document summarizes the options you have for registering.

IMPORTANT: Any Business Office or Registrar’s HOLD on your account must be taken care of and cleared by the appropriate office in order to pre-register for your spring courses.

CONTAINED IN THIS PACKET (sent out as attachments to or web links within an e-mail sent to pertinent students):

1. This document.
2. MyWTS instructions on using the Add/Drop Courses function
3. Summary Block Schedules for each pertinent cohort year
4. Spring 2024 Wartburg numerical course listing
5. Spring 2024 Wartburg day-to-day class schedule

NOTES

1. This is a pre-registration. Registration will be finalized in the spring during the Prolog Intensive Week, January 29-February 2. You can make changes in your registration at that time or during the two-week add/drop period after classes begin.
2. **Independent Study courses** require an Independent Study Contract form. You cannot register for these using MyWTS, as only the Registrar can set these up in the system. Contact the Registrar for the independent study contract form. Contracts must be turned in by the end of the add/drop period or you are not officially registered for the class.
3. **Preaching Precept.** Registration in preaching precepts is strictly controlled in order to keep the size of each group consistent across precepts for the particular teaching mode employed. Further, the preaching precepts for Spring 2023 separate the Residential/In-Classroom Students from the Off-campus/Zoom DL/CL students; There is also one Asynchronous precept (Precept AS) for those students who absolutely cannot make any one of the prescribed synchronous Zoom precepts.

There are currently four (4) options scheduled for Synchronous Preaching Precepts (with a placeholder scheduled for a possible fifth precept if enough

interested students require such a precept):

- Precept 1 (S1) For In-Classroom (RL) Only Mondays, 1:15-3:05 pm
- Precept 2 (S2) For Synchronous DL/CL Students Tuesdays, 1:15-3:05 pm
- Precept 3 (S3) For Synchronous DL/CL Students Tuesdays, 3:20-5:10 pm
- Precept 4 (S4) For Synchronous DL/CL Students Fridays., 8:30-10:20 am
- Precept AS Asynchronous Students Only
- The scheduled placeholder for Precept 5 (S5) – If it becomes necessary, will be Friday afternoons, tentatively 1:15-3:05 pm, for Synchronous Students

The Registrar will have the registration system set up with an enrollment limit set on each option that will start out at initially six (6) students allowed in each, and will only increase a precept to seven students once we have reached the limit of six in all the others precepts of the same teaching mode, and then to eight when we have seven in each precept – this is so we can try to keep the precepts equal in size.. The maximum enrollment in each preaching precept is 8 students. This is probably the “trickiest” bit about using the MyWTS web portal to complete pre-registration, as you will only be able to select a precept if it is not filled yet. The Registrar will be making periodic adjustments to these enrollment limits as registration proceeds. But the Registrar’s timing will likely not match the time when you are registering, so you may need to notify the registrar as precepts are filled. You may place your name on a “wait list” for a precept, but there is absolutely no guarantee that such a request may be honored, so still please register for a section that could work if necessary.

4. At the option of the instructor, some classes are offered as preferring Cr/NCr grading only, or may be limited in enrollment. You will find this information noted on the numerical course schedule and in the one-page course descriptions. In MyWTS, you will only be able to select an alternate grade type if that option is available for a course.
5. Elective courses normally require a minimum of 5 students to be held. And a few courses may initially have a maximum enrollment cap set. Contact the Registrar (and put yourself on the wait list for a course) if you encounter a course full and believe you should also be a student in the course.
6. **Course load variations:**
 - 9 course credit hours = minimum load for MA, MADM, and MDiv students to be considered full-time for financial aid purposes.
 - 11.5 course credit hours = maximum course registration for CL students when also completing your internship.
 - 15.5 course credit hours = maximum coursework load for RL/DL students without Academic Dean's overload permission

Students may **audit** courses with the permission of the instructor. Audits do not count toward the total course load. Audits will appear on your final transcript only if the instructor verifies that you actually attended class.

7. It is normally possible to register for courses that begin later in the semester (e.g., module courses) up until the time the course actually begins, although we would prefer you register now rather than later, if only so we can know that we have enough students registrations to hold the course, but also to make sure

your registrations are all recorded for billing and financial aid purposes.

8. Spouses are encouraged to audit a course (or courses up to 2 credits total) each semester at no charge. Pass this information along!! They will separately need to complete an application form with Admissions as a Discovery student and submit a paper registration form at the beginning of the semester.

PLEASE NOTE: Meeting graduation requirements, is, in the first instance, the student's own responsibility.

The Academic Dean, Registrar, and your faculty advisor will be of assistance whenever possible. Read carefully the Core Curriculum Requirements in the catalog under which you entered and check your transcript and course requirements sheet with your advisor to be certain you are meeting all requirements.

REGISTRAR'S DISCLAIMER: A number of required courses have enrollment limited in order to promote a balance between groups, either in size or gender mix, to meet educational goals of the institution. You may be asked to shift to an alternative choice or to a different small group section to meet this institutional need. This change may take place after pre-registration, in which case the student will be notified in a timely fashion
