

**WARTBURG THEOLOGICAL SEMINARY
NEW STUDENT REGISTRATION – FALL 2025**

TO: All New Incoming Degree Students (MDiv/MA/MADiacMin, and RL/DL/CL)

FROM: Kevin Anderson, Registrar

DUE DATE: Upon Receipt. Preferably before August 30 at the latest (and by July 31 if you are a Fund for Leaders or other ELCA-connected scholarship recipient)

You will use MyWTS (<https://mywts.wartburgseminary.edu>) to register for Fall Semester courses based on expectations of your degree program and your respective category of student [Residential Learner (RL), Distance Learner (DL), or Collaborative Learner (CL)]. Attached as a separate document are instructions on how to use MyWTS and the Drop/Add Courses function under the Students tab to accomplish this registration.

NOTE: As new students, when you log into the MyWTS web portal, be sure to check the banner messages on the Home page to see whether you still need to complete either/both the **Personal Information Update or sign the Business office form**. If so, please take care of both of those first.

Also, if you have received this instruction e-mail from the Registrar, but are still seeing the “New Student” hold on your account preventing registration, please contact the Registrar (Kevin Anderson, registrar@wartburgseminary.edu) about getting that hold removed.

Please note the grading options for each course – all provide the option for credit/no-credit (i.e., pass/fail) grading, while only some provide the option of letter grade – you will need to select the grading option for each course as an additional step in the MyWTS course add process. (You can normally change the grading option in most cases during the first four weeks of the fall semester without needing instructor permission; after four-weeks, then instructor permission may be necessary, especially if shifting from credit/no-credit grading to letter grades.) The current default if you don’t change the option is for Credit/No-Credit Grading in the case of those courses that allow letter grading.

Starting on the next page are what I anticipate for each of you based on your degree based on the curriculum that is described in the 2025-2027 Catalog (if available in time), or otherwise in the Fall 2024 Catalog Supplement. If you are in a different situation (e.g. part-time, transfer credits), please contact me (Registrar) and/or your advisor directly to get further instructions.

Courses to Register for: Students following the prescribed curriculum will register as indicated:

Be sure you select the academic term “2025-2026 Academic Year – Fall Semester” for all course registrations described here.

NOTE: The following list of courses to register for are based on the Master of Divinity degree program as described in the 2025-2027 Course Catalog (when available, or in the Fall 2024 Catalog Supplement if necessary).
