

**WARTBURG THEOLOGICAL SEMINARY
PRE-REGISTRATION – Returning Students – SPRING SEMESTER 2022
Final-Year MDiv Student Version**

**DUE DATE: Upon Receipt. Preferably by December 10 if possible, and
IDEALLY BY NO LATER THAN DECEMBER 17.**

You will take care of this registration using the MyWTS Web Portal. A separate set of instructions will illustrate how you use the MyWTS add/drop course process to accomplish this. **Be sure to select the correct academic term, which is “2021-2022 Academic Year – Spring Semester”.**

This document summarizes the options you have for registering.

CONTAINED IN THIS PACKET (sent out as attachments to an e-mail sent to pertinent students):

1. This document.
2. MyWTS instructions on using the Add/Drop Courses function
3. Summary Block Schedules for your appropriate cohort year
4. Spring 2022 Wartburg numerical course Listing
5. Spring 2022 Wartburg day-to-day class schedule

NOTES

1. This is a pre-registration. Registration will be finalized in the spring during the Prolog Intensive Week, January 31-February 4. You can make changes in your registration at that time or during the two-week add/drop period after classes begin.
2. **Independent Study courses** require an Independent Study Contract form. You cannot register for these using MyWTS, as only the Registrar can set these up in the system. Contact the Registrar for the independent study contract form. Contracts must be turned in by the end of the add/drop period or you are not officially registered for the class.
3. Elective courses normally require a minimum of 5 students to be held. And a few courses may initially have a maximum enrollment cap set. Contact the Registrar (and put yourself on the wait list for a course) if you encounter a course full and believe you should also be a student in the course.
4. At the option of the instructor, some classes are offered as preferring Cr/NCr grading only, or may be limited in enrollment. You will find this information noted on the numerical course schedule and in the one-page course descriptions. In MyWTS, you will only be able to select an alternate grade type if that option is available for a course.

5. **Course load variations:**

9 hours = minimum full-time load MA, MADM, and MDiv.

15.5 hours = maximum coursework load without Academic Dean's overload permission

Students may **audit** courses with the permission of the instructor. Audits do not count toward the total course load. Audits will appear on your final transcript only if the instructor verifies that you actually attended class.

6. It is normally possible to register for courses that begin later in the semester (e.g., module courses) up until the time the course actually begins, although we would prefer you register now rather than later, if only so we can know that we have enough students registrations to hold the course.

7. Spouses are encouraged to audit a course (or courses up to 2 credits total) each semester at no charge. Pass this information along!! They will separately need to complete an application form with Admissions as a Discovery student and submit a paper registration form at the beginning of the semester.

PLEASE NOTE: Meeting graduation requirements, is, in the first instance, the student's own responsibility.

The Academic Dean, Registrar, and your faculty advisor will be of assistance whenever possible. Read carefully the Core Curriculum Requirements in the catalog under which you entered and check your transcript and course requirements sheet with your advisor to be certain you are meeting all requirements.

REGISTRAR'S DISCLAIMER: A number of required courses have enrollment limited in order to promote a balance between groups, either in size or gender mix, to meet educational goals of the institution. You may be asked to shift to an alternative choice or to a different small group section to meet this institutional need. This change may take place after pre-registration, in which case the student will be notified in a timely fashion

Or the rural ministry course listed below (for this particular semester only due to the topic) can be applied to meet this requirement (but as an either/or proposition, as the same course in the same term cannot be also applied to meet the rural ministry MDiv requirement at the same time).
