

MDiv Year 3 CL CLASS SCHEDULE -- FALL 2023 – Initial Version – 20 March 2023

Year 3 CL students who have already completed either BI 192W or HT 105W (likely because of starting out as a DL student first, or possibly a transfer) are advised to complete electives, independent studies, or other degree distributional requirements instead of an additional final-year course as a replacement.

For the rare student who has already completed both BI 192W and HT 105W, then please have your faculty advisor consult with the Registrar about a possible final-year course as a substitution for one of the courses, with the other still to be met by electives, independent study, and distributional courses.
