REGISTRATION NOTES:

The Prolog Intensive Week takes place from September 2-6, 2019, and has its own schedule.

MN 195W Rural Plunge – Dates TBD - Tentatively November 1-3, which is a Friday afternoon through Sunday course that travels off-campus.

For Fall 2019, the faculty have decided to remove enrollment limits on most elective courses. (Previously the normal limit was 8 for most courses, with the idea of spreading students out over more electives). Some electives still do have limits due to practical/pedagogical reasons. Please note that the faculty would still like to see students involved in all of the elective courses, as courses still need a minimum number of students in each to make them viable to teach, and we do not like needing to cancel courses (especially at the last minute) due to a lack of interested students.

Most **elective courses are presumed to normally taught as residential face-to-face and Synchronous Zoom courses only**. Ask the instructor first about asynchronous participation before registering if not specifically stated (in the schedule or in the course description documents).

IN 003W Graduate Writing will be taught via Zoom/web camera. The actual time will be negotiated based on student needs of availability.

WTS Registration Notes:

For specifics on any particular course, see the MyWTS Web Portal for course descriptions and the virtual bookstore for books. (See the UDTS course schedule for times/locations/descriptions of courses offered by that institution.)

WTS courses marked with an asterisk (*) have enrollment controls placed on them for the specific purpose of balancing registration between sections or between similar courses. These courses are usually for a targeted group of students to meet programmatic requirements, with outside registration possible only by permission of the instructor. The WTS Registrar reserves the right to shift a student to a different section of the same course or to a course that meets the same program requirement in order to meet this request for a balanced enrollment, and will make all efforts to work with the student to resolve conflicts as a result of this requirement.

Many WTS courses have the preferred option of only the Credit/NoCredit (i.e., pass/fail) grade option, and are so indicated by the ampersand (&) symbol. Other courses may have a preferred grading plan (with an alternative option by permission of instructor). See the course descriptions for more information.

Prolog/Intensive Week courses take place on September 2-6, 2019, with orientation for new students and opening worship on Monday and intensive sessions of most required courses from Tuesday through Friday.
