WTS Registration Notes:

For specifics on any particular course, see the MyWTS Web Portal for course descriptions and the virtual bookstore for books. (See the UDTS course schedule for times/locations/descriptions of courses offered by that institution.)

WTS courses marked with an asterisk (*) have enrollment controls placed on them for the specific purpose of balancing registration between sections or between similar courses. These courses are usually for a targeted group of students to meet programmatic requirements, with outside registration possible only by permission of the instructor. The WTS Registrar reserves the right to shift a student to a different section of the same course or to a course that meets the same program requirement in order to meet this request for a balanced enrollment, and will make all efforts to work with the student to resolve conflicts as a result of this requirement.

Many WTS courses have the preferred option of only the Credit/NoCredit (i.e., pass/fail) grade option, and are so indicated by the ampersand (&) symbol. Other courses may have a preferred grading plan (with an alternative option by permission of instructor). See the course descriptions for more information.

Prolog/Intensive Week courses take place on September 6-10, 2021, with orientation for new students and opening worship on Monday and intensive sessions of most required courses from Tuesday through Friday.
