Either MN 195W, MN 196W, or MN 294W can fulfill the MDiv Rural Ministry requirement.

HT 356W Topics in Luther's Theology: Teaching Luther's Small Catechism can be adapted to meet the MDiv Youth & Family Ministry (aka YCM) requirement, especially if a graduating MDiv student or one who will be finishing coursework before a final-year full-time internship. Although it is hoped that we will also have a YCM course in the spring semester, at this time it is unknown and not guaranteed.

WTS Registration Notes:

For specifics on any particular course, see the MyWTS Web Portal for course descriptions and the virtual bookstore for books.

WTS courses marked with an asterisk (*) have enrollment controls placed on them for the specific purpose of balancing registration between sections or between similar courses. These courses are usually for a targeted group of students to meet programmatic requirements, with outside registration possible only by permission of the instructor. The WTS Registrar reserves the right to shift a student to a different section of the same course or to a course that meets the same program requirement in order to meet this request for a balanced enrollment, and will make all efforts to work with the student to resolve conflicts as a result of this requirement.

Many WTS courses have the preferred option of only the Credit/NoCredit (i.e., pass/fail) grade option, and are so indicated by the ampersand (&) symbol. Other courses may have a preferred grading plan (with an alternative option by permission of instructor). See the course descriptions for more information.

Prolog/Intensive Week courses take place on September 5-9, 2022, with orientation for new students and opening worship on Monday and intensive sessions of most required courses from Tuesday through Friday.

NOTE REGARDING THE CHANGED MDIV FIELDWORK REQUIREMENT (IN 171W Fieldwork 1 and IN 271W Fieldwork 3):

In mid-May 2022, the faculty voted to reduce the MDiv Fieldwork requirement from 4 credits down to 2 credits (from four units of fieldwork down to two), and to retroactively apply this change to MDiv students who started new in Spring 2020 or Fall 2021 and later; and further requests that the fieldwork be normally completed in the student's Second Year (Year 2) in their MDiv program. Students who already completed both Fieldwork 1 and 2 have now fulfilled their fieldwork requirement. As part of this change, IN 271W Fieldwork 3 and IN 272W Fieldwork 4 are now cancelled. And for Fall 2022, only those MDiv students who started in Spring 2022 and have already completed IN 172W Fieldwork 2, will be allowed to finish their requirement this fall semester with the IN 171W Fieldwork 1 course. All other students still needing their fieldwork requirement are asked to wait until their second year in the MDiv program, which normally ought to be in 2023-2024 for those affected by this change (or otherwise consult with the Registrar on your particular situation if thought to be different).
