Either MN 195W or MN 291W can fulfill the MDiv Rural Ministry requirement.

Most elective courses are presumed to normally taught as residential face-to-face and Synchronous Zoom courses only. Ask the instructor first about asynchronous participation before registering if not specifically stated (in the schedule or in the course description documents).

More Registration Notes:

For specifics on any particular course, see the MyWTS Web Portal for course descriptions and the virtual bookstore for books.

WTS courses marked with an asterisk (*) have enrollment controls placed on them for the specific purpose of balancing registration between sections or between similar courses. These courses are usually for a targeted group of students to meet programmatic requirements, with outside registration possible only by permission of the instructor. The WTS Registrar reserves the right to shift a student to a different section of the same course or to a course that meets the same program requirement in order to meet this request for a balanced enrollment, and will make all efforts to work with the student to resolve conflicts as a result of this requirement.

Many WTS courses have the preferred option of only the Credit/NoCredit (i.e., pass/fail) grade option, and are so indicated by the ampersand (&) symbol. Other courses may have a preferred grading plan (with an alternative option by permission of instructor). See the course descriptions for more information.

Prolog/Intensive Week courses take place on September 1-5, 2025, with orientation for new students and opening worship on Monday and intensive sessions of most required courses from Tuesday through Friday.
